

Armored R12 Sink Gold 32" x 20" – U/M

Kitchen Sinks

Code: 4237 669

PVD Gold  
AISI 304 Stainless steel  
Satin finish  
Undermount  
x cross bending for easy water draining

DETAILS

|                        |                          |
|------------------------|--------------------------|
| Series                 | Armored R12              |
| Material               | AISI 304 stainless steel |
| Texture                | Satin                    |
| Finish                 | PVD                      |
| Coloring               | Gold                     |
| Edge/Installation Type | Undermount               |
| Thickness              | 16 Gauge (1.5 mm)        |
| Overall dimensions     | 32" x 20"                |

|                    |  |
|--------------------|--|
| Bowls dimensions   | 1 bowl 30" x 18"                               |
| Bowls depth        | 10"  |
| Cut out            | 30" x 18" radius ½"                            |
| Waste fitting type | 3 ½" - with stainless steel basket             |
| Bowls bottom       | X cross bending for easy water draining        |
| Underside          | Protected with heavy duty undercoating         |
| Fixing system      | Undermount fixing kit (brass insert and clips) |

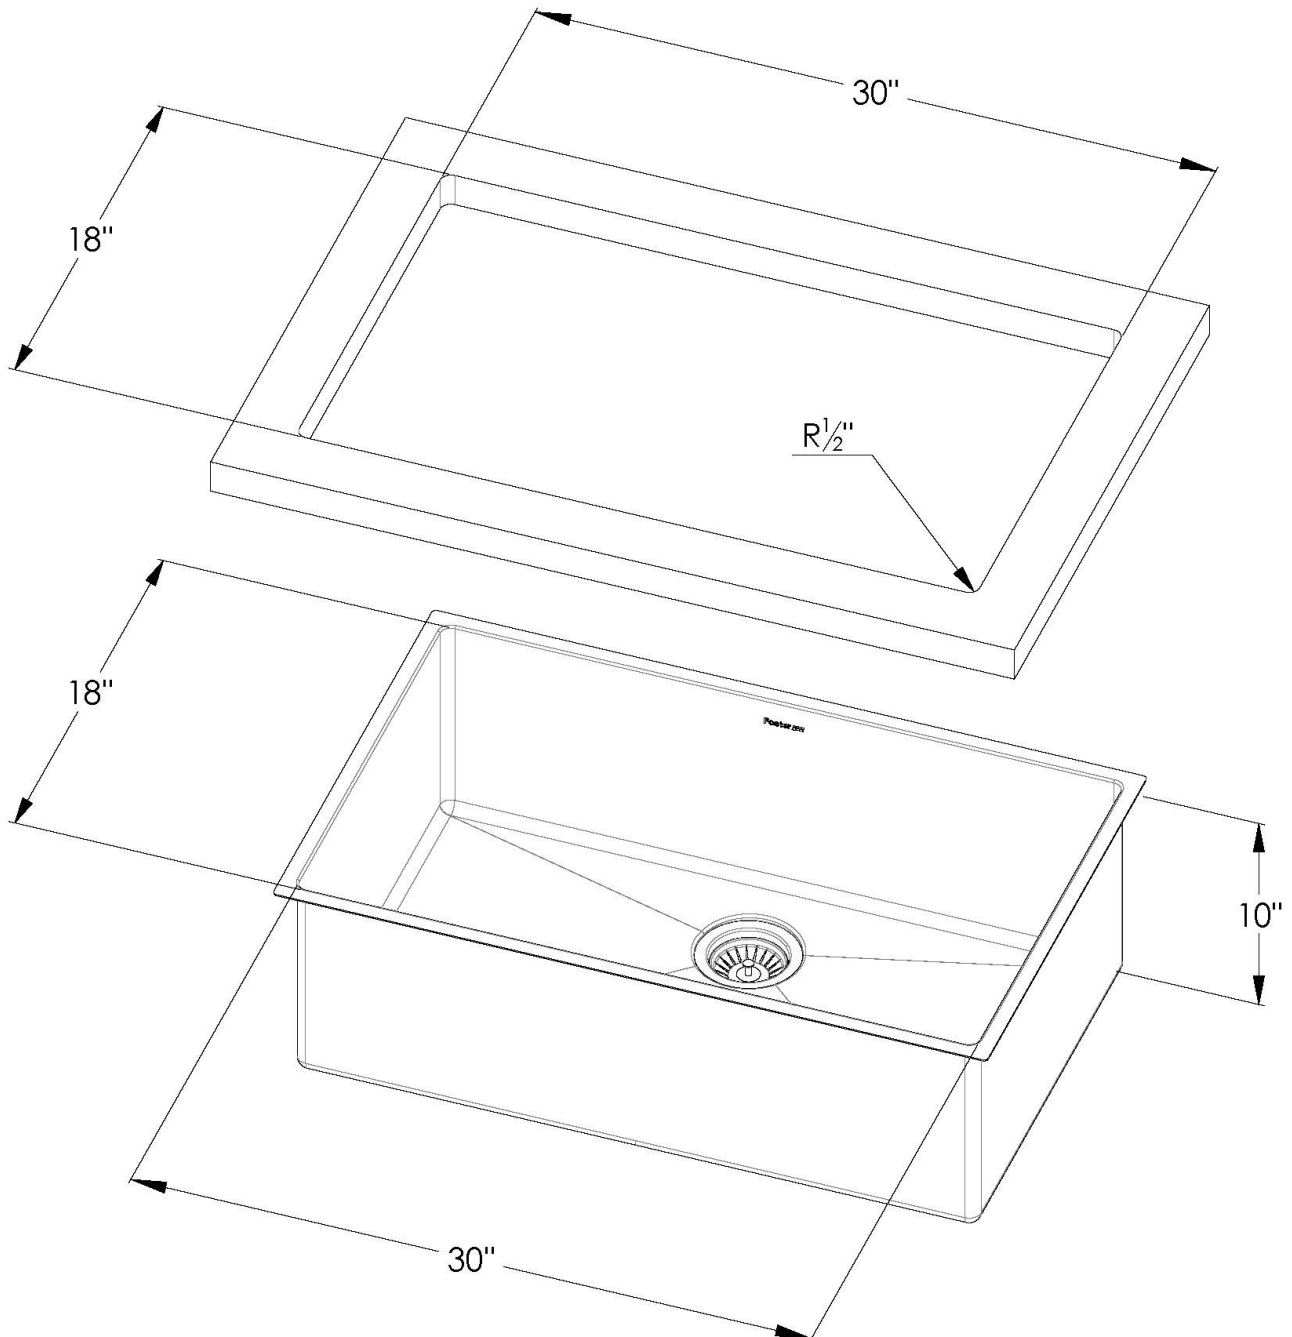

## FEATURES

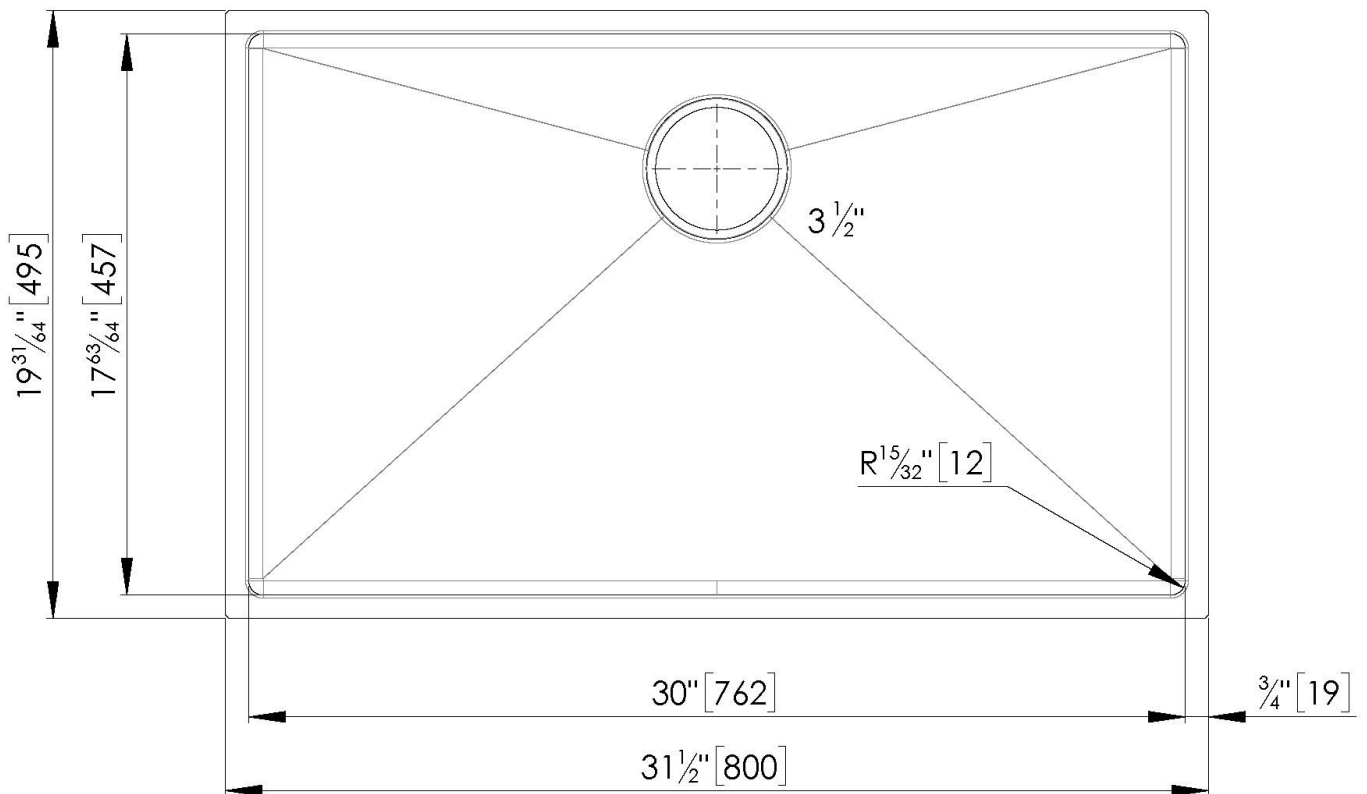

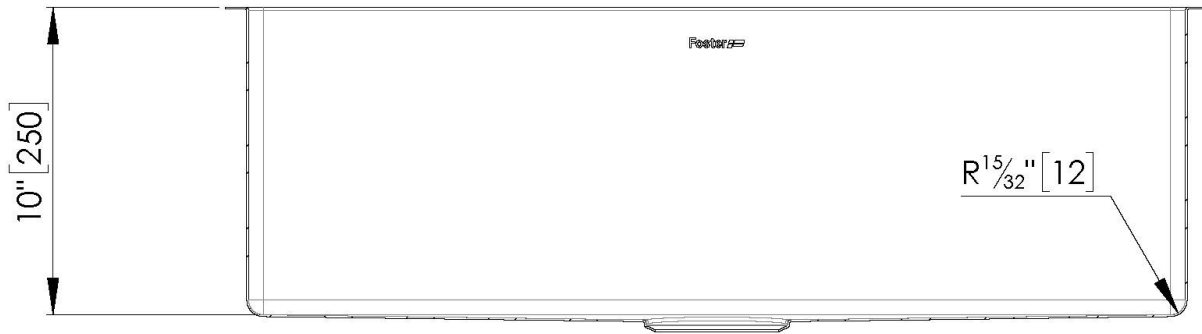

|                           |  |
|---------------------------|--|
| GOLD                      | The Gold finish is obtained by treating the steel with a physical process called PVD (Physical Vacuum Deposition) which deposits particles of noble metals on the surface. The result is a unique and refined aesthetic effect, and an improvement in the mechanical properties of the steel that is more resistant to shocks and scratches. |
| Diamond-shape bottom      | The draining of water is an important feature in a sink, and it's always taken good care of in Foster products. In the bent-welded sinks, which would have a flat bottom, the proper draining is guaranteed by the elegant beveling, which helps the water flow.   |
| High thickness            | 1.5 mm thick steel. A significant thickness, which guarantees the maximum sturdiness and durability.   |
| Basket 3,5" waste fitting | The drain is equipped with a large 3.5" drain, with the practical basket cap that prevents the discharge of solid parts.   |
| Deep bowls                | This bowls reach an important depth, over 20 cm, thanks to the advanced production technology, that can be offer great capieny and practicity in all the washing operations.   |

Small radius

Bowls with squared shapes with a modern design and an increased capacity, for a minimal aesthetics connected with an extreme practicality.

## TECHNICAL DATA

## OPTIONAL ACCESSORIES

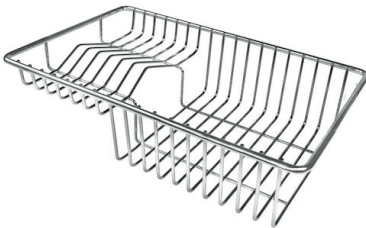

**Black grid**  
8100 619

**Twin Chopping Board**  
8644 102

**Stainless steel perforated pan PVD Gold**  
8151 009  
\* only in combination with the accessory  
8644 102
