---------------	--

FEATURES

Diamond-shape bottom	The draining of water is an important feature in a sink, and it's always taken good care of in Foster products. In the bent-welded sinks, which would have a flat bottom, the proper draining is guaranteed by the elegant beveling, which helps the water flow.
----------------------	--

Double recess	The "rails" system makes it possible use a combination of numerous accessories. Grids, Chopping boards, utensils' ranging systems, bowls and containers of different dimension can be alternates in the workspace with a simple gesture, and can easily be stacked, in order to be on hand at all times.
---------------	--

High thickness	1.5 mm thick steel. A significant thickness, which guarantees the maximum sturdiness and durability.
----------------	--

Basket 3,5" waste fitting	The drain is equipped with a large 3.5" drain, with the practical basket cap that prevents the discharge of solid parts.
---------------------------	--

TECHNICAL DATA
