

# KE Sink Gun Metal 18" x 18" – U/M

Kitchen Sinks

Code: 2156 866

PVD Gun Metal  
AISI 304 Stainless steel  
Foster brushed  
Undermount

## DETAILS

|                        |                          |
|------------------------|--------------------------|
| Series                 | KE                       |
| Material               | AISI 304 stainless steel |
| Texture                | Foster brushed           |
| Finish                 | PVD                      |
| Coloring               | Gun Metal                |
| Edge/Installation Type | Undermount               |
| Thickness              | 18 Gauge (1.2 mm)        |
| Overall dimensions     | 17 5/16" x 17 5/16"      |

|                |                                                                            |
|----------------|----------------------------------------------------------------------------|
| Bowl dimension | 1 bowl 15 <sup>3</sup> / <sub>4</sub> " x 15 <sup>3</sup> / <sub>4</sub> " |
|----------------|----------------------------------------------------------------------------|

|             |    |
|-------------|----|
| Bowls depth | 8" |
|-------------|----|

|         |                                                                     |
|---------|---------------------------------------------------------------------|
| Cut out | 15 <sup>3</sup> / <sub>4</sub> " x 15 <sup>3</sup> / <sub>4</sub> " |
|---------|---------------------------------------------------------------------|

|                    |                                                               |
|--------------------|---------------------------------------------------------------|
| Waste fitting type | 3 <sup>1</sup> / <sub>2</sub> " - with stainless steel basket |
|--------------------|---------------------------------------------------------------|

|           |                                        |
|-----------|----------------------------------------|
| Underside | Protected with heavy duty undercoating |
|-----------|----------------------------------------|

|               |                                                |
|---------------|------------------------------------------------|
| Fixing system | Undermount fixing kit (brass insert and clips) |
|---------------|------------------------------------------------|

## FEATURES

|           |                                                                                                                                                                                                                                                                                                                                                |
|-----------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| GUN METAL | The Gun Metal finish is obtained by treating steel with a physical process called PVD (Physical Vacuum Deposition) which deposits particles of noble metals on the surface. The result is a unique and refined aesthetic effect, and an improvement of the mechanical properties of the steel which is more resistant to impact and scratches. |
|-----------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

|                           |                                                                                                                          |
|---------------------------|--------------------------------------------------------------------------------------------------------------------------|
| Basket 3,5" waste fitting | The drain is equipped with a large 3.5" drain, with the practical basket cap that prevents the discharge of solid parts. |
|---------------------------|--------------------------------------------------------------------------------------------------------------------------|

|                    |                                                                                                      |
|--------------------|------------------------------------------------------------------------------------------------------|
| High thickness 1.2 | 1.2 mm thick steel. A significant thickness, which guarantees the maximum sturdiness and durability. |
|--------------------|------------------------------------------------------------------------------------------------------|

|              |                                                                                                                                            |
|--------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| Small radius | Bowls with squared shapes with a modern design and an increased capacity, for a minimal aesthetics connected with an extreme practicality. |
|--------------|--------------------------------------------------------------------------------------------------------------------------------------------|

## TECHNICAL DATA

## OPTIONAL ACCESSORIES

**Black grid**  
8100 651

**Chopping Board**  
8631 300

**Grating kit complete with ring support and food collection tray**  
8159 101  
\* only in combination with the accessory  
8644 101

**HDPE Chopping board**  
8657 001

**HPDE Chopping board GREY**  
8657 002

**Iroko-wood sliding chopping board with stainless steel colander**  
8644 044

**Stainless Steel dishes holder**  
8100 303  
\* only in combination with the accessory  
8644 101

**Stainless steel perforated pan PVD Gun Metal**  
8151 006  
\* only in combination with the accessory  
8644 101

**Twin Chopping Board**  
8644 101

**White bowl**  
8153 100

**Waste disposer throat PVD Gun Metal**  
8669 046

**PVD Gun Metal automatic kit for waste-fitting**  
8407 136

## RECOMMENDED PAIRINGS

**Faucet Capri Gun Metal**
