

## Hood Quadra

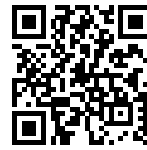

33"

Hoods

Code: 2458 921

Wall-mounted suction hood  
Satin finish stainless steel  
4 speed  
EBM Dual motor

### DETAILS

Material AISI 304 stainless steel

---

Texture Satin

---

Hood type Built-in suction hood

---

**Dimensions**  
2458 921 (33"): 32<sup>15/32</sup>" x 11<sup>27/64</sup>" x 13<sup>25/32</sup>"  
2458 931 (20"): 20<sup>15/32</sup>" x 11<sup>27/64</sup>" x 13<sup>25/32</sup>"

---

Cut out  
2458 921 (33"): 32<sup>7/8</sup>" x 10<sup>1/4</sup>/<sub>32</sub>"  
2458 931 (20"): 19<sup>19/32</sup>" x 10<sup>14/32</sup>"

---

Control type Button panel

---

Speed 4 speed

---

Grease filters Commercial style baffle

---

Charcoal filters                      Optional

---

Lighting                                2458 921 (33") - 10.5W Led Bar 4,200°K  
2458 931 (20") - 6.5W Led Bar 4,200°K

---

Delay off timer                      Yes

---

Light switch                         Yes

---

Extractable oil collector            Yes

---

## **Motor**

---

Air flow rate                         600 CFM

---

Pressure                              650 Pa

---

Noise level                         50 dBA

---

Electrical requirements            120VAC – 60Hz

---

Max Amp usage, power rating    8A

---

**Accessories**                        9700 902 - Kit of 2 charcoal filters

---

**Certifications**                    CSA Certified for US & Canada

---
