

## Speed Oven Stainless Steel 30"

Ovens

Code: 7104 930

Electric convection+microwave+grill oven  
9 cooking functions  
Digital touch control

### DETAILS

**Oven type** Electric convection + microwave + grill oven

**Door finishing** Satin finish Stainless Steel

**Cooking Functions** 9

**Control type** Electronic

**Commands** Digital touch control

**Language** English

### Cavity

**Usable capacity** 1.34CuFt

Cavity finish                      Stainless steel

---

Rack positions                      2

---

Lighting                              Halogen

---

Microwave power levels              0/150/300/450/600/750/900 W

---

## **Door**

---

Door Glasses                      Double glass

---

Handle                              Satin finish Stainless steel handle

---

## **Special features**

---

Safety                                Keyboard lock

---

Temperature unit                      °F

---

Auto cooking programs              11

---

Automatic defrosting                By time and weight

---

## **Delivered accessories**

---

Turntable plate                      1

---

Rectangular tray                      1

---

Rectangular rack 1

---

## Technical Specifications

---

Electric supply 240 V – 60Hz

---

Power rating 3400 W

---
